A Message from the Emperor - Phil Lawson

KIGY Brothers and Sisters,

In an effort to simplify the Constitution of this organization, and produce a Constitution that applies fully to our Klan, I have created this document and present it to the order of the United Northern and Southern Knights of the Ku Klux Klan to follow. I remain committed to God, Race and Nation and the advancement and protection of our beloved White race. I hereby proclaim this Constitution is the supreme law that shall give guidance to our order, to which we all owe our complete loyalty and obedience.

Proclamation of the Imperial Wizard – Cole Thornton

The Imperial Wizard would like it to be known and understood, that certain criteria should be taken into consideration before the appointment or election of officers in this order. This advisement applies to every officer from Imperial to Local Office.

Items to consider before appointment of an officer.

1. Social Standing Within The Community
2. Financial Standing
3. Financial Availability
4. Age
5. Personal Habits And Character
6. Family Standing
7. Commitment To Ideals We Represent
8. Loyalty Of Individual To The Empire As A Whole As Well As Individual Brothers

We cannot at anytime have a leader in this brotherhood, even though universally loved by all involved, which cannot afford because of his financial, political, or family situation, to fully perform his duties as an officer.

He must realize that one must not be blinded by hatred towards non-whites. The duty of all Klansmen is to up lift the white race, not to lower ourselves to the same level as those that we oppose. He must always remember he is a White Christian and conduct himself to be a shining example of this great Order.

Due to the regional differences in our country, no two Realms are the same. Thus, it is necessary for the Realm leadership to handle things to their respective situations. This being understood, a Realm must gain the approval of the Imperial Council before implementing workings that have not been successfully used in an established Realm.
Constitution and Laws
United Northern and Southern Knights of the Ku Klux Klan

Preamble

We solemnly declare to all mankind:
That the United Northern and Southern Knights of the Ku Klux Klan is dedicated to the same basic principles as the original Ku Klux Klan founded in the year 1865 and organized in 1866, and active during the reconstruction period of America. By and under its name the United Northern and Southern Knights KKK is revived, remodeled and updated. It has become a ritualistic, fraternal, patriotic society of national scope, dedicated to the same principles and spiritual purpose as set forth in Article II, of the Constitution and Laws of the UNSK.

We furthermore do declare:
To all that our original predecessors used as the governing laws of the Ku Klux Klan, during its former times and all official titles, mannerisms and rituals have not been abandoned by us. All banners, emblems, symbols, or other insignia and things proscribed or previously used by the Ku Klux Klan are held sacred to our tradition and heritage as Klansmen. We shall, in turn, preserve this heritage and valiantly protect it from profanation. It is to be known by all that we are a non-violent group that will not tolerate any sort of violent acts by our members, except in the preservation of ones personal self, ones family or the defense of another Klansman.

Kreed

We, the order of the United Northern and Southern Knights of the Ku Klux Klan, reverently acknowledge the majesty and supremacy of Almighty God and recognize his goodness. We recognize the sacrifice of his only son Jesus Christ who did so that we may live in eternal life. We recognize our relation to the government of the United States of America, the supremacy of their Constitutions and Laws, the union of the states there under, and the Constitutional Laws thereof, we shall obey all laws set forth by this government as drafted in the original Constitution of the United States. We shall be ever devoted to the sublime principles of white supremacy, and to be valiant in the defense of their ideals and institutions.

We avow the distinction of the races of mankind as decreed by the almighty creator, and we shall be ever true to the maintenance of the right of people that so desire, to segregate and strenuously oppose any compromise thereof. We appreciate the value of practical fraternal relationship among men of kindred thought, purposeful ideals and of the infinite benefits accruing there from; We shall faithfully devote ourselves to the practice of an honorable Klanishness that the life of each may be a constant blessing to our brothers and sisters, and a great benefit to all white people in this country.
